

Fișă de lucru

1. Unește cu o linie grupa cu cifra care corespunde numărului de elemente.
Colorează grupa care are cele mai multe elemente.

1	2	3	4	5
---	---	---	---	---

Five ovals containing different groups of shapes: 1. Three squares stacked vertically. 2. Two rectangles stacked vertically. 3. One triangle. 4. Five circles arranged in two rows (two on top, three on bottom). 5. Four asterisks arranged in a 2x2 grid.

2. „Scrie” în etichete tot atâtea liniuțe câte obiecte sunt în mulțime.
Colorează grupa pătratelor.

Five ovals containing different groups of shapes, each with a rectangular label above it connected by a vertical line. 1. Four squares arranged in a 2x2 grid. 2. Three rectangles stacked vertically. 3. Two triangles stacked vertically. 4. Five circles arranged in two rows (two on top, three on bottom). 5. One asterisk.
